

The Swedish Bar Association's Consumer Disputes Committee

The Swedish Bar Association's Consumer Disputes Committee was approved as an alternative dispute board on 11 March 2016.

The Consumer Disputes Committee adjudicates disputes occurring after the 11 January 2016.

The Consumer Disputes Committee adjudicates disputes between a consumer and a member of the Swedish Bar Association or a law firm regarding a service which the member or law firm provided to the consumer.

Before turning to the Consumer Disputes Committee an attempt must have been made to reach a solution by mutual agreement with the member of the Swedish Bar Association.
